

# ANOTHER 81 MILES FOR MADELEINE

*Madeleine McCann  
was abducted in  
Praia da Luz, Portugal on  
Thursday 3rd May 2007*

Next Sunday, 16th May, Gerry McCann will race in the Etape Caledonia to raise further funds to help secure the safe return of Madeleine.

The race is the UK's greatest cycle race challenge, an 81mile(130km) cycle through Highland Perthshire. There is just under 2000m of climbing, including going over the 1083m Schiehallion, which Gerry is hoping to complete in under 5 hours; which means maintaining an average speed of 16mph (26kmph)!

**Please show your support for Gerry but more importantly Madeleine by making a donation at <http://findmadeleine.com/support/donations.html>**

Thank you.

**TOGETHER, WE'LL NEVER GIVE UP.  
TOGETHER, WE'LL FIND MADELEINE.**
